

St Leonard's College

VCE Business Management and Commerce Teacher

Position Overview

The Commerce Faculty is seeking an innovative educator to join a team of dedicated teachers who encourage all students to further their knowledge in all commerce based areas. The members of our faculty strive to enable all students to go as far as they can on their own journey into commerce related subjects as well as encouraging them to consider continuing commerce into tertiary education and beyond. Sharing ideas and resources is one of the important strengths of the Commerce Faculty.

The successful applicant will have a genuine love of commerce based subjects and be able to share their enthusiasm with students and inspire their colleagues. They will appreciate the intrinsic value of a strong education and will recognise the wide range of transferable skills such as these subjects offer. Exceptional organisational and interpersonal skills will be important. The successful applicant will be committed to an environment where the use of technologies and other pedagogical initiatives are seen as exciting opportunities to enhance learning.

Teachers are expected to undertake supervisory duties which are allocated in a roster either before school, at recess, lunchtime or after school. They are also expected to be involved in cocurricular activities, which may reflect particular skills and interests or as designated by the College. Teachers also undertake pastoral care responsibility. With each of these tasks it is the practice of the College to share the responsibilities as evenly as possible amongst the teaching staff so that there is no unreasonable load on any member of staff.

All teachers are expected to attend staff meetings and other ad hoc meetings as arranged. It is also an expectation that all members of teaching staff attend the College's major functions throughout the year.

The Person
