**Our vision is to provide all students with an education for life. We foster in young people the personal qualities necessary for lifelong learning.**

### **Our Mission**

Through inspiring and caring teachers and in a physically, emotionally and spiritually safe coeducational environment, St Leonard's College provides an exemplary innovative education for its students, enriched by the traditions of its heritage.

### **Our Statement of Commitment to Child Protection and Safety**

St Leonard's College is committed to the safety and wellbeing of our students.

The College has zero tolerance for child abuse and is committed to the protection of all children from all forms of child abuse. In this context, the College implements a comprehensive Child Protection Programme across the entire College community.

Families are encouraged to be proactive in reporting any concerns or risks to the safety of children in our community.

# Introduction

This Handbook provides important general information, however there are other resources for families that provide day-to-day information related to managing your child's education.

## The College website

The College website at [stleonards.vic.edu.au](http://stleonards.vic.edu.au) provides an overview of the College, including governance structures, programs, major events and latest news. Parents may find the content on the external website interesting however specific information relating to their child's learning and cocurricular activities can be found on our secure portal, [STL Link](#).

## STL Link

STL Link is a 'one stop shop' for all the information you will need to help you manage your child's education at St Leonard's College. Here you will find student grades, timetables, curriculum information, assessment details, class blogs, specific cocurricular information, news, calendars, teacher contact information and more.

When your child starts at St Leonard's College, you will be issued a unique username and password to access STL Link. Students in years 3 and above will also have individual STL Link access as well as a College email address.

STL Link contains a wealth of information targeted to individual users. Students are able to quickly find information relevant to their classes and cocurricular commitments, while parents can find information about the progress of their child.

## STL App

Our app integrates with STL Link, providing easy, on-the-go access to news, events, contacts, assignment due dates and timetables, as well as the option to receive push notifications when new information is posted.

The app is available for iPhone, iPad and Android via the App Store or Google Play. To download the app and for more information, please [click here](#).

# Booklists

For students in years 5 and above, booklists are available through the College provider, Campion Education, and can be ordered online by [clicking here](#). Should you be prompted to provide a code to view the lists, please enter **T7D7**.

Please note that all stationery and books are provided by the College for children in ELC through to year 4 (with the exception of an iPad for years 3 and 4). Parents need only provide the uniform, a library bag and an art smock, all of which can be purchased at the Uniform Shop.

# Buses

The College Bus Service provides six chartered bus routes arriving near our South Road entrance at 8.15am and departing from the same location at 3.50pm each school day. College buses travel through suburbs including Beaumaris, Bentleigh, Black Rock, Brighton, Caulfield, Cheltenham, Dingley Village, Elsternwick, Elwood, Hampton, Highett, Malvern East, McKinnon, Moorabbin, Mordialloc, Murrumbeena, Parkdale and Sandringham.

Stops at Brighton Beach and Moorabbin train stations provide further options for families seeking to connect with the College Bus Service via the metropolitan rail network. Routes and timetables can be viewed by [clicking here](#).

## Cost and registration

The 2019 annual Bus Service Registration Fee of \$440 per student will allow for unlimited travel on one of the College Bus Service's five routes throughout 2019. The Registration Fee for students using the train connection stops at Brighton Beach and Moorabbin train stations is \$240 per student.

To register to use the College bus service in 2019, please complete the following two-step process.

1. Complete one booking form for every student you wish to register for bus travel by [clicking here](#). To do this you will need to know the route and stop number you will be using in 2019, these can be viewed by

[clicking here](#). If you are registering more than one student, please follow the prompts in the form to register additional children.

2. Once you have submitted the online registration form, you will receive a link via email directing you to make payment of \$440 for each student you have registered (\$240 per student for train station connections). Once your payment has been made and accepted you will receive a tax invoice via email which serves as confirmation of your bus service registration.

If you encounter any difficulty completing the booking and payment process, please contact [busbookings@stleonards.vic.edu.au](mailto:busbookings@stleonards.vic.edu.au)

St Leonard's College utilises RollCall, an online program for monitoring student usage. Students are issued with a tag/ticket as part of the registration fee, which they use to touch on and touch off the bus. Parents are able to register to see where the bus is on the route.

Please note that registrations will be taken on a first come, first served basis. Should the number of registrations exceed the number of seats available on your chosen route, we will contact you to discuss.

# BYOD

St Leonard's College operates on a Bring Your Own Device (BYOD) model of student technology provision.

Students in years 3 to 9 are required to bring their own iPad. They are also required to install all of the apps listed on the St Leonard's College App list. Due to the life cycle of technology, students are expected to bring an iPad to school that is no more than four years old. iPads will meet all of the technology needs of students in years 3 to 9.

As students move into the Senior School, they are presented with an increasing array of subject selections and as such an iPad may not meet some students' requirements. Students in years 10, 11 and 12 should choose the most appropriate technology to meet their needs.

More information about device requirements and app lists can be found by [clicking here](#).

# Canteen

The canteen at St Leonard's College is run by our dedicated in-house Catering Team who prepare fresh, healthy meals and snacks in the kitchen each day.

## Opening hours

### Monday – Thursday

7.30am – 2.00pm, 3.30pm – 4.30pm

### Friday

7.30am – 2.00pm

## Menu

Students can purchase breakfast before school, snacks at recess and a healthy meal at lunch. On Monday to Thursday the canteen is open from 3.30pm to 4.30pm, serving healthy after-school snacks and barista-style coffee or hot chocolate. The full canteen menu and daily specials are available on STL Link.

Lunch orders can be placed and paid for online via [www.flexischools.com.au](http://www.flexischools.com.au)

# Cocurriculum

St Leonard's College provides a comprehensive cocurricular program as an integral part of our broad educational offering. A wide variety of activities are offered to enable students to develop interests and skills that will enrich their lives now and into the future.

## House system

All St Leonard's students from prep to year 12 are members of a College House. In Junior School, students compete as part of their House in Athletics, House Music and other House competitions. From years 5 to 12 annual Athletics, Cross Country and Swimming House carnivals are held as well as a range of other competitions such as House Music, surf Lifesaving, Debating, Chess and Dance Off. Students in Junior, Middle and Senior Schools are able to take leadership positions within their Houses. Read more about our six Houses and their histories on page 40 of this handbook.

## Theatre

St Leonard's College has its own theatre company called the Hart Theatre Company. Students in years 5 to 12 have the opportunity to audition for a major production each year. The Hart Theatre Company stages five productions annually: a Middle School play, Middle School musical, Senior School play, Senior School musical and Year 5 and 6 musical. There are

also opportunities for students to become involved in the backstage and technical aspects of production.

## Sport

St Leonard's students are offered a wide variety of sporting activities with an emphasis on participation, enjoyment and personal development for all. There are no compulsory Saturday sport competitions, however some school sport and training falls outside school hours.

### Interschool competitions

Students from years 5 to 12 compete in regular team sports throughout winter and summer seasons, as well as annual Swimming, Athletics and Cross Country carnivals. The College also enters teams and individuals in a range of other sport competitions such as snowsports, adventure racing and triathlon.

### Prep to year 4

Students from prep to year 4 play modified sports and team games designed to develop teamwork, motor skills, confidence and commitment. Year 4 students compete with years 5 and 6 in the South Yarra District School Sports Association (SYDSSA) interschool carnivals in swimming, athletics and cross country. Year 3 and 4 students have after-school sport once a week.

### Years 5 and 6

Students in years 5 and 6 participate in the Coeducational Independent Primary School Sports Association (CIPSSA) held each Friday afternoon. They also train once a fortnight during Sport Skills classes. At the end of both summer and winter seasons a Lightning Premiership round robin is held. Year 5 and 6 students also compete in the South Yarra District School Sports Association (SYDSSA) swimming, athletics and cross country carnivals.

### Years 7 to 12

Students in years 7 to 12 compete in the Association of Coeducational Schools (ACS) sport competition, with matches held one afternoon each week. Participation in ACS Sport is compulsory for years 7 to 11 and a cocurricular option in year 12. Students train once a fortnight during Sport Skills classes.

Occasionally students may be excused from matches due to injury. In this case a note from a parent or guardian is required and students work at school in a supervised study period. A sport development program also runs during ACS sport time, allowing for those who have been rotated out of their team due to numbers.

Unless written permission is given by the Principal and Head of Sport, students are expected to attend sport on the following afternoons:

Year 7 and 8: Tuesdays

Year 9: Thursdays

Years 10 to 12: Wednesdays

When playing at home, students are expected to return to the College at approximately 4.30pm, and at approximately 5.30pm when playing away games.

## Community Sport

The Community Sport program provides opportunities in sports outside of the compulsory CIPSSA and ACS competitions. These sports are usually conducted outside of schools hours. Opportunities available in community sport include gymnastics, karate, tennis, yoga, basketball, netball, sports aerobics, cheer sports, cycling, surf lifesaving, sailing, kayaking, triathlon and adventure racing. A before school running club and gym fitness classes also operate twice a week during school terms and various specialised training camps are offered during holidays. With many of the sports offered, the College has links with local sporting clubs to provide students with pathways to pursue these sports further or continue with them beyond school.

More information about Community Sport activities can be found by [clicking here](#) or contact Mark Slykhuis, Head of Community Sport: [mark.slykhuis@stleonards.vic.edu.au](mailto:mark.slykhuis@stleonards.vic.edu.au)

The Community Sport program also allows parents and students to use the College's pool and gym facilities throughout the year. The gym is available to students for general use before and after school on certain days. Parents can purchase individual or family memberships to the pool and gym, which provide access to the Hawkes Sports Centre during community open hours.

Individual membership: \$180

Family membership: \$350

[Click here](#) to find out more about pool and gym memberships.

## Philanthropy

There are many age-appropriate opportunities for students to contribute to social justice and philanthropy projects. With a blend of giving and service activities, students contribute in the local, national and international spheres.

## Music

In addition to the classroom music program and private lessons, students have the opportunity to join one of many music ensembles, which include orchestras, bands, choirs and workshops. These ensembles rehearse weekly and perform at College events and concerts, as well as at external events.

### Core ensembles

Core ensembles are large, usually non-auditioned ensembles that deliver a broad musical offering accessible to all St Leonard's College students. A student cannot be awarded Music Colours or Awards if they are not a member of a core ensemble. Core ensembles perform at major events such as the Music Festival and Speech Nights. Core ensembles in 2019 are:

Orchestral – SLSO\* and Philharmonic

Choral – Senior Choir, Soprano/Alto Choir and Tenor/Bass Choir

Band – Wind Symphony\*, Symphonic Band and Concert Band

Guitars – Electric Guitar Ensemble and Acoustic Guitar Ensemble

*Entry to ensembles marked with an asterisk is by audition*

### Specialist ensembles

Specialist ensembles have a focus on a particular musical style or instrumental grouping. Other than piano students, all year 7 to 11 students who participate in a specialist ensemble must also be in a core ensemble. Specialist ensembles in 2019 include:

Chamber Strings\*

Piano Trio\*

Percussion Ensemble

Clarinet Ensemble

Songwriting Workshop

Big Band\*

Jazz Band\*

Stage Band\*

Swing Band\*

Tuesday Jazz Ensemble

Wednesday Jazz Ensemble

Early Music Vocal Ensemble

Flute Ensemble

String Quartet\*

Auditioned Choir\*

Melodic Minors\*

Power Strings

Senior School Musical Orchestra\*

Middle School Musical Orchestra\*

McMillan Maestros

McMillan House Choir

Jazz Choirs

*Entry to ensembles marked with an asterisk is by audition*

Unless by special arrangement with the Directors of Music, it is not possible for a student in years 7 to 11 to be in a specialist ensemble but not a core ensemble.

## Debating and Public Speaking

The debating and public speaking program equips students with research and communication skills. Students have the opportunity to compete at House, local, national and international levels. Academic staff mentor the students and age/skill appropriate competitions are selected.

[Click here](#) to find out more about debating and public speaking opportunities.

## Outdoor Education

Students from years 3 to 10 participate in a series of sequential and integrated outdoor education programs. The program fosters the development of a variety of interpersonal and technical skills and helps students develop an understanding of personal and environmental sustainability.

In years 5 to 8 students attend an annual camp at the College's permanent campsite, Camp Ibis, located on the Gippsland Lakes, Banksia Peninsula near Paynesville. Activities include sailing, canoeing, rafting, hiking, mountain biking, caving, initiative challenges, team games and learning about local flora, fauna and Indigenous culture.

At years 9 and 10 the focus moves to remote, mobile outdoor education, where students learn to become self-sufficient. They experience the challenges of bushwalking, bush camping, cooking, navigating and caring for one another while living in small temporary communities.

The year 9 Extended Environmental Experience is an integral part of the Community, Urban, Environment (CUE) program in the environmental domain. The journey currently takes place along sections of the

Great South West Walk in the Portland/Glenelg area. The bushwalk ventures through a variety of terrain and ecosystems and students also journey in canoes for a section of the program, on either the Bridgewater Lakes or the scenic Glenelg River.

The year 10 hike is the culmination of the compulsory outdoor education program and takes the form of an alpine bushwalk through varied terrain with rewards of majestic views and swims in crystal clear mountain streams. It is usually held in the Howqua Valley area, utilising sections of the famous Australian Alpine Walking Track.

Throughout the year there are various opportunities for interested students to further their passion for the outdoors through extension programs and competitions. Programs are also offered during term breaks and may include activities such as rock climbing, adventure racing, snowsports, kayaking, mountain biking and bushwalking.

[Click here](#) to read more about Outdoor Education.

Students from years 9 to 12 can participate in the Duke of Edinburgh Award, a voluntary leadership-in-action program which offers opportunities for recognition via involvement in service, skill, physical recreation and expedition activities.

[Click here](#) to read more about the Duke of Edinburgh Award.

## Other Cocurricular Opportunities

Students will have an opportunity to participate in a number of other activities across the College, including the Writers Community, eSports Gaming, Learning Support/Extension Breakfast Clubs, Coding Club, Art Squad and many more.

# Communication with families

## Teaching and support staff

A strong partnership between parents and the College is essential to the wellbeing of each student. Discussion with your child's teachers at information evenings and parent-teacher interviews is one important way of ensuring the home-school partnership is strong and that the College is supporting each individual student to thrive. Mentors are in regular contact with parents throughout the year. In addition, Heads of Year, Heads of House, Heads of School, Counsellors, the College Nurse, Chaplains and the Careers Counsellor are available to assist students and parents with any questions or concerns. Please see the Contacts section of this Handbook for the names and contact details of many of these key members of staff.

## Publications

Our weekly newsletter, *STL News*, keeps families abreast of the latest College activities, and includes details of upcoming events and important information such as student grade updates or specific year level information. It is distributed to all parents via email every Friday afternoon.

Our magazine, *Network*, is published three times a year and distributed to all members of the College community. The *Annual Report* is available on the College website and all current families receive *The Leonardian*, our College yearbook. All families also receive a copy of our full colour St Leonard's College calendar.

## Student Diaries

Students from prep to year 2 use a reading log which parents should check every night.

Students from years 3 to 9 use an electronic diary app called App4. This system is used by students to record homework, particular items that are required for classes, assignment due dates and to manage their workloads. Teachers are able to push home learning tasks into their students' electronic diaries. Parents are able to check their children's electronic diary over the Internet and are encouraged to monitor their child's diary every day and sign it off every week. App4 also provides details of student expectations, uniform regulations, maps of the College and other useful information. More information about App4 can be found by [clicking here](#).

Students from years 10 to 12 will have developed appropriate self-management skills and are able to select an organisational strategy that works best for them. This may be App4, a provided paper diary or another method.

## Updating contact details and medical information

Parents are responsible for notifying the College of any change in contact details and ensuring the College has up-to-date medical information. Changes should be made via [STL Link > College Data > My Details](#).

# Fees and Finance Information

## Tuition fees

The tuition fee covers all tuition costs and the charges for every student's standard program. The only exceptions to this are the year 6 camp to Canberra, the year 9 Big Experience, and for some VCE and IB subjects where textbooks can be purchased more economically in bulk. In such cases, the cost will be included on the fee account as a separate item.

Included in the tuition fee are:

- Information, communication and technology access at all levels
- Classroom materials and resources for all subjects
- Sports charges and travel to interschool sport
- All excursions and visiting performers/speakers
- All camps which are part of the standard program:
  - Year 3 – Anglesea
  - Year 4 – Airey's Inlet
  - Year 5 – Camp Ibis
  - Year 6 – Camp Ibis/Buchan Caves
  - Year 7 – Camp Ibis/Gippsland Lakes
  - Year 8 – Camp Ibis/Mitchell River
  - Year 9 – Great South West Walk (Portland/Glenelg), five day self-catered hike
  - Year 10 – Alpine Hike, six day self-catered hike (includes hiking boots for year 10 students)
- School calendar and photographs, College planner or record book for year 2 and above
- Locker fee for new students
- Career education

Excluded from the tuition fees are:

- CUE Big Experience for year 9 which varies according to the selected trip and is added to fee accounts in terms 3 and 4 2018 for 2019 Big Experience trip
- Canberra trip for year 6
- Stationery for years 5 and above
- iPad (years 3 to 9) or other chosen technology (years 10 to 12)
- Textbooks on the book list
- Uniform
- Private lessons
- College Bus Service
- Optional overseas trips and excursions (not a compulsory component of a students' course)

St Leonard's College receives some government grants for ELC4 and prep to year 12 students. These grants are applied against the cost of operations and serve to reduce the tuition fees payable by parents.

## Tuition fees 2019

ELC3 sessional (five mornings)	\$11,602
ELC3 part time (four days)	\$18,108
ELC3 and ELC4 full time	\$20,692
Prep	\$18,680
Year 1	\$21,291
Year 2	\$21,291
Year 3	\$23,995
Year 4	\$23,995
Year 5	\$25,994
Year 6	\$25,994*
Year 7	\$29,493
Year 8	\$29,493
Year 9	\$30,953 ^
Year 10	\$30,968
Year 11	\$32,424 †
Year 12	\$31,991 †

Items not included in the Tuition Fee:

\* Canberra Trip estimated at \$1100

^ CUE Big Experience Trip estimated at \$4,500-\$6,500. Actual cost will depend on destination selected and activities program.

† International Baccalaureate Diploma Programme (see below)

### Additional charges for International Baccalaureate Diploma Programme students

All students undertaking the IBDP must pay an annual fee to the International Baccalaureate Organization to cover subscription and examination charges. The fee for 2019 is \$820 per student.

### Standard family discounts

The following sibling discounts apply where a family has two or more children attending the College concurrently.

- 5% on consolidated fees for the second sibling attending concurrently

- 15% on consolidated fees for the third sibling attending concurrently
- 50% on consolidated fees for the fourth (and subsequent) sibling attending concurrently

The greatest discount applies to the fees for the lowest year level.

### Building fund donation

An optional tax deductible donation to the building fund (\$440 per annum per child) can be added to accounts and is used to constantly upgrade facilities for students.

### Fees for full fee paying overseas students (FFPOS)

The fees for full fee paying overseas students for 2019 are detailed below.

\* CUE Big Experience fee (approximately \$4,500-\$6,500 is not included)

Year 3	\$29,994
Year 4	\$29,994
Year 5	\$32,493
Year 6	\$32,493

Year 9	\$41,790*
Year 10	\$42,170
Year 11	\$44,240
Year 12	\$43,660

### Private tuition fees

Special tuition is available in speech and drama, music, swimming and tennis. Details of these programs can be found on page 26 of this handbook.

## Payment of accounts

Fees are charged on a term basis, with one quarter of consolidated fees on each account. The exceptions to this are for year 12 where one third of annual fees are charged in each of terms 1, 2 and 3 only, and for full fee paying overseas students, where accounts are issued twice per year and payments are required six months in advance. Families new to the College (refer to Terms of Business for criteria) will be billed a whole term in advance e.g. term 1 2019 will be billed 30 days prior to term 4 2018 and payment is due day 1 term 4 2018; term 2 2019 will be due day 1 term 1 2019 etc.

## Student travel insurance

The College's travel insurance covers students undertaking College approved trips for declared excursions, hikes, holiday camps, snowsports trips and other intrastate, interstate and international trips with a minimum travel distance of 90 km from 163 South Road, Brighton East.

Where the College holds accident insurance for accidental injury or illness of students (who are injured or become ill as a result of their involvement in normal activities associated with their enrolment at the College), parents may make a claim on that insurance policy on the terms set out in the Accident Insurance Cover Claim Form. The College makes no representation or warranty as to its liability to parents or students for any direct or indirect loss, cost or expense suffered or incurred by a student and arising from accident or personal injury howsoever caused, or that any cover held by the College will cover such loss, cost or expense.

If parents wish to ensure they are comprehensively covered they should ensure they have private health, ambulance cover and/or other accident insurance in place to cover students.

## Private property

It is recommended that items such as cameras, watches, electronic devices, musical instruments and the like, which students may bring at times to school, should be covered by an 'all risks' policy, taken out privately by the parent. The College does not take any responsibility for, nor does its insurance cover, privately-owned items.

## Equipment

The College's insurance on its equipment loaned to students does not cover loss or damage for which the student and/or his or her family bear some responsibility. Where damage is more than normal wear or tear, the student/family will be liable for costs associated with repair or replacement.

If equipment is accidentally damaged or stolen at home, a police report (in the case of stolen equipment), a statutory declaration from the parents, and a letter from the family's insurance company disclaiming liability will be required before the College's insurance company will accept any liability. If these conditions cannot be met, parents will be liable for the cost of repair or replacement.

# Library

## Junior School

Our ELC students, accompanied by ELC staff, attend a library session once a week and enjoy browsing and borrowing.

Prep to year 4 students attend a timetabled library lesson with a Teacher Librarian on a weekly basis along with an additional browse and borrow session.

Students are encouraged to read at home by choosing their own books, with trained library staff and their teachers to assist as necessary. The library staff are always on hand to facilitate borrowing as requested by students.

Staff also coordinate a Book Fair once a year, which is enjoyed by all. Many other events are organised during the year, including but not limited to a reading picnic, Book Week celebrations and engaging Author visits.

## Cornish Library

The Cornish Library is located at the heart of St Leonard's College, opposite the Middle School office and above the school cafeteria. The library meets the educational and pastoral requirements of all students in Years 5 -12. Students in Years 5-9 are timetabled for a Wide Reading Session once a cycle in the library with a Teacher Librarian. Library staff are always on hand to assist with book selections.

Library staff are available to support the curriculum by assisting teachers in running research sessions in the library. These sessions allow the library staff to explain and work with students to ensure appropriate researching of the books, databases, ejournals through the libguides available to all from school and home.

The Cornish Library is open every morning at 7.30am and closes at 7.00pm on Monday – Thursday. On Friday the library closes at 4.00pm. This allows all students the opportunity to remain at school to study, complete homework or relax with a book before returning home. Student Study Assistants (SSA), - our team of high achieving past students - are available until late closing to assist with homework, research or organisational skills.

Senior School students are also encouraged to use the library on Sundays during term time (11.00am – 4.00pm) and during school holidays (10.00am – 4.00pm), where library staff and SSA's are on hand to assist with any queries. Two quiet study rooms are available for Senior Students to study during the school day.

During recess and lunchtime the library is open for playing games, mindfulness colouring, MakerSpace activities, quiet reading and completing homework.

# Lockers

All new students in years 7 to 12 are issued with a combination lock for their locker to keep their bags, books and other belongings safe. The locks remain the property of the College and cannot be taken from the premises at any time. At the end of year 12, students may retain their locks. If students leave at any other time the College retains the lock.

Please note the following in relation to locks:

- Locks are handed in at the end of each year and students are issued with the same lock at the beginning of the next year
- The lock is the responsibility of the student
- If the lock is lost, a fee of \$40 must be paid before a new lock is issued
- No locks other than the ones issued are to be used at St Leonard's College

# Lost Property

Lost property can be retrieved from the Hawkes Sports Centre Office between 10.30am and 6.30pm Monday to Thursday and 9.00am to 4.00pm Friday. All unclaimed lost property will be cleaned out on the last day of each term and distributed to charitable organisations or for secondhand sale.

# Medical Information

To ensure that the College Nurse and staff dealing directly with your child can provide the best possible care in the event of illness or accident, it is vital that current medical information is available.

**It is the responsibility of parents to ensure the College has up-to-date student medical information, prior to commencement and ongoing. This information can be updated at any time via [STL Link > College Data > My Details](#).**

Up to date medical information is important in helping teachers to know how best to care for their students. It is made available to staff dealing directly with your child and to other staff on a need to know basis, and is treated with the appropriate level of confidentiality. This information will be accessed for excursions and activities without the need for parents to complete a separate medical form each time the student leaves the College. For some camps and extended trips, a separate form may be required.

## Medication procedures

- Parents are requested to inform the Health Centre of any medications being taken by students
- All medications taken during the day should be stored in the Health Centre
- All medications administered by the College Nurse will be recorded

## Student Action Plans

If your child has anaphylaxis, asthma or an allergy, you must supply the relevant action plan to the College Nurse via email to [michelle.kinnaird@stleonards.vic.edu.au](mailto:michelle.kinnaird@stleonards.vic.edu.au) or via post to:

College Nurse  
St Leonard's College  
163 South Road, Brighton East, VIC 3187

## Prescription and restricted medication

- The College Nurse will give assistance in the administration of prescribed medication when requested in writing by the parents/guardians.
- Assistance will be given by our Nurse in the administration of restricted medication (such as Ritalin, Dexamphetamine) after receiving documentation from the doctor and the parents/guardian. Instructions regarding changes to the original dosage of long-term or restricted medications must be in writing from the doctor and parents.
- The College Nurse may only administer or assist with the administration of any medication if the medication is provided in its original container with the label clearly displaying the student's name and the required dosage.
- All medications will be stored in a locked cupboard in the Health Centre.

## Non-prescription or over the counter medication/creams

The following non-prescription or 'over the counter' medications are held in the Health Centre for the relief of minor illnesses. They are administered to students only with permission from parents.

- Paracetamol (Panadol)
- Ibuprofen (Nurofen)
- Naprogesic (period pain)
- Cold and Flu medication
- Demazin mixture
- Antihistamine medication (Zyrtec, Claratyne, Telfast)
- Antiseptic creams
- Betadine gargle (sore throats)
- Cough mixtures
- Throat lozenges – Vicks VapoDrops, Strepsils
- Bonjela (mouth ulcers)
- Eno (stomach upset)
- Visine eye drops (allergy eye drop)
- Refresh eye drops (clear eyes)
- Stingos
- Voltaren gel cream
- Ventolin

# Out of School Hours Care

St Leonard's College is committed to offering quality Out of School Hours Care (OSHC) for students in the form of before and after school care and holiday programs. Before and after school care programs are available to children in ELC to year 6. Holiday programs are available for prep to year 6 students. Care is available on a permanent, casual or emergency basis.

Before school care prepares children for the day ahead by creating an informal but well supervised environment with a variety of quiet activities. The after school program provides a variety of stimulating, creative and recreational activities within a safe and supportive environment. Children can also take the opportunity to spend some of their after school care time meeting their homework commitments. Children are provided with afternoon tea each day.

It is vital that all parents of students in prep to year 6 fill out an [OSHC Enrolment Form](#) at the beginning of each year, even if they do not intend to use the service. In the case of an emergency, this allows children to be taken to the OSHC program for supervision. The program cannot accept children without a current enrolment form, even in the case of an emergency. ELC parents will have completed enrolment forms prior to commencement in the Early Learning Centre.

On curriculum and assessment days a full day program operates for students in prep to year 6. A holiday program operates during term holidays and for part of the end of year break. Information on these programs will be available prior to each holiday period on the [College website](#).

## Fees

- Before school care (from 7.45am to 8.30am): \$20.00
- After school care early session (3.20pm to 4.30pm/ ELC 3.00pm to 4.30pm): \$20.00
- After school care late session (3.20pm to 6.00pm/ ELC 3.00pm to 6.00pm): \$28.00
- Student free days (7.45am to 6.00pm): \$68.00
- Holiday program full day (7.45am to 6.00pm): \$70.00, additional costs are incurred for off-campus excursions for bus and entry fees
- Should parents collect their child after 6.00pm, an additional charge of \$1.00 per minute is applicable.

All parents of students in prep to year 6 using the OSHC program are entitled to a child care subsidy. This subsidy is paid to the College and reimbursed to eligible families at a later date. Please ensure you complete your families' CRN information on your child's enrolment form in order for the College to process this. You will also need to complete a four step registration through your MyGov account.

A comprehensive St Leonard's College Out of School Hours Care Program Family Handbook is available from the OSHC office for families using the program. For more information on the program please contact Marisa Miza, OSHC Manager, at [oshc@stleonards.vic.edu.au](mailto:oshc@stleonards.vic.edu.au), (03) 9909 9408 or 0409 906 991.

# Parent Community Policies

There are many opportunities for parents to become involved in the College community. Each year level has several parent class representatives who organise year level events such as coffee mornings, parent dinners and family functions.

The Community Day Fair is a major event on the College calendar and is organised by a parent committee with many parent volunteers required on the day.

There are also a number of parent events throughout the year, including the biennial parent ball and Mothers' and Fathers' Day functions. Events in 2019 will include the Celebrating Women Lunch and Celebrating Men Breakfast, annual Bangladesh Dinner and the Golf Challenge. The Christmas Festival of Giving in December is a family event.

There are a variety of other ways parents can become part of the College community such as joining the Community Choir, International Friends, Book Club, the Community Sport programs and helping out with the Hart Theatre Productions.

For more information about our thriving parent community, contact Bronwyn Betro, Community Coordinator, at [bronwyn.betro@stleonards.vic.edu.au](mailto:bronwyn.betro@stleonards.vic.edu.au)

College policies relating to students and parents can be found on the [Parents > Policies and Guidelines](#) page of STL Link. Parents are asked to read them and discuss the policies and the College's expectations with their children.

Please note: you will need to have your STL Link login to access the policies page. Login information will be provided to new families prior to commencement.

Policies relevant to students and families are:

- Acceptable Use of Information Communications Technology
- Admissions Policy
- Anaphylaxis Policy
- Anti-Bullying Policy
- Anti-Harassment Policy
- Behaviour Policy
- Child Protection and Safety Policy
- Child Safety Code of Conduct
- Community Code of Conduct
- Drug Education and Support Policy
- Grievance Policy
- Home Learning Policy
- Pastoral Care and Student Wellbeing Policy
- Privacy Policy
- Restorative Practices
- Student and Parent Guidelines for Media Projects
- Sun Protection Policy
- Volunteer Code of Conduct

# Private Lessons

## Speech and Drama Lessons

(year 3 onwards)

Private Speech and Drama lessons provide students with the opportunity to develop effective communication skills and learn techniques in drama and speech in a supportive and nurturing environment. Interested students can participate in external speech and drama examinations and competitions. Classes are held in small groups on a rotating schedule.

### Fees

The charges below apply for eight lessons per term. Class sizes may determine when lessons are held.

Years 3 to 6 – Drama workshop – 40 minute lesson per week – \$150 per term

Years 5 to 9 – Speech and drama studio – 40 minute lesson per week – \$210 per term

Years 10 to 12 – Speech and drama studio – 80 minute lesson per week – \$315 per term

### Termination of lessons and missed lessons

Once enrolled in private lessons, a student is expected to attend for the entire school year. If there is a genuine reason to withdraw part way through the year, four school weeks' notice in writing must be given to the teacher. Verbal cancellation will not be accepted. A refund will be paid only if a student is absent for four consecutive weeks and a medical certificate is supplied.

To request private Speech and drama lessons, please complete the [Speech and Drama Tuition form](#).

## Music Tuition

(prep to year 12)

Music is a part of the core curriculum from ELC to year 8 and is then offered as an elective subject through to year 12 IBDP and VCE. In year 3 and 4, all students receive tuition in violin, viola, cello or double bass in small groups on a weekly basis. In years 5 to 7 students learn an orchestral instrument or develop their singing skills during their classroom music lessons. Further information on the classroom music program can be found in the appropriate year level handbook.

St Leonard's College also provides on-campus private instrumental, vocal and music theory lessons, delivered by expert specialist music teachers.

### Fees

#### Private Music Lesson Fees

*Standard lessons – based on sixteen 30-minute lessons per semester (2 terms)*

\$760 per semester

*Extended lessons – based on sixteen 40-minute lessons per semester (2 terms)*

\$990 per semester

### Enrolling in private music lessons

When students enrol in private music lessons, it is

assumed that they will undertake lessons for the entire year. There is however a minimum enrolment requirement of one semester's music lessons (approximately 16 lessons). It is not necessary for families to re-enrol a student for lessons in the following semester, as without notice of termination continuation of lessons will be assumed.

To request private music lessons, please complete the Application for Private Music Tuition form available by [clicking here](#).

### **Dates for enrolling in private music lessons**

Enrolments for semester 1 2019 should be completed no later than 11 November 2018.

Enrolments for semester 2 2019 should be completed no later than 11 June 2019.

While enrolment applications received after these dates will be accepted there may be little flexibility in lesson timings for late applicants.

### **Scheduling of music lessons**

Private music lessons are scheduled on a rotating timetable across the day, and students may regularly miss part of academic classes. The rotating timetable is designed to ensure that students do not regularly miss the same academic class, however it is not possible to guarantee a particular subject will never be missed. The scheduling of lessons is organised according to the Allocation of Private Music Lessons policy, found on STL Link. All lesson times are published on STL Link prior to the commencement of each term.

### **Alteration to scheduled lesson times**

It is the student's responsibility to inform their music teacher at least eight days in advance if they are aware that they will be unable to attend a lesson due to any College-sanctioned activity. Lessons cannot

be rescheduled if insufficient notice is given. Should a lesson be unable to proceed due to an unexpected school activity, such as an emergency evacuation drill or urgent meeting with the Principal or Head of School, an alternate lesson time will be provided by the music teacher. In some cases these lessons may not be made up until the following term.

### **Illness**

In the case of sudden illness that causes a student to be absent from school and miss a scheduled private music lesson, please advise the Music Office on 9909 9484 by 8.00am. If leaving a message, please clearly state the student's name, the music teacher's name and the time of the lesson. If this notice is given, the private music teacher will endeavour to reschedule the missed lesson in the coming weeks and parents will not be charged. This applies for a maximum of two missed lessons per semester. Parents may be entitled to a pro-rata remission of private music lesson fees in the event of a student being absent through illness or accident for 20 or more consecutive school days. All claims are subject to the production of a medical certificate and/or other appropriate evidence.

### **Termination of lessons**

Lessons may be terminated at the end of each semester. Written notification of the intention to terminate private music lessons must be received by the Music Office no later than:

- 11 June 2019 to terminate lessons for semester 2 2019
- 11 November 2019 to terminate lessons for semester 1 2020

Unless written notification of termination is received by the dates listed above, all private music lessons will be rescheduled and billed for the following semester.

### **Instrument hire**

Some instruments are available for hire however

students are encouraged to acquire their own instruments as soon as possible after one year. Piano and keyboard students must have access to their own instruments. Whilst all instruments are insured against theft and fire at all times, parents must meet the first \$300 of any claim resulting from damage or loss while a hired instrument is in their child's possession.

### **Instrument hire costs**

\$110 per semester

Books and accessories will be charged to school accounts where required.

Details of all costs involved in learning music at St Leonard's College can be found on the [STL Link music website](#).

### **Core ensembles**

As an essential part of their music learning, students in years 7 to 11 who take private music lessons (other than piano) must participate in a core ensemble. They may also choose to participate in any of the specialist ensembles. More information on ensembles can be found on the [STL Link music website](#) and page 11 of this handbook.

## **Swimming**

St Leonard's Swimming offers professional lessons for swimmers from three years of age through to national level squad training and fitness squads. Lessons are 30 minutes in length and run Monday to Thursday afternoons and Saturday mornings. Squad days and times vary from weekday early morning sessions to evening and Saturday mornings, depending on the

group and level. A detailed squad outline and fee structure can be obtained from the Swim Office.

Before commencing any Learn to Swim class or squad program, new students will be assessed to allow our instructors to gain a better understanding of each individual's swimming needs. Assessments normally last 10 minutes and bookings are essential.

Please contact the Swim Office on (03) 9909 9454 to arrange an assessment.

### **Fees**

#### **Learn to Swim**

\$16 per 30 minute lesson

#### **Squads**

Pre Squad, Fitness Squad, District Squad: \$16 per session

State Development Squad, State Squad: free (for St Leonard's College students)

Squads are by application or invitation.

#### **Private Lessons**

Available on application: \$40 per 30 minute lesson

## **Tennis coaching**

Tennis lessons are conducted at St Leonard's College by Fromberg Tennis. Visit [their website](#) for more information or email

# Uniform

## St Leonard's College Uniform Shop

The on-campus Uniform Shop sells uniforms as well as College bags and merchandise. Location details and opening hours can be found on STL Link.

Individual appointments can be made by contacting the Uniform Shop on 9909 9595 or [uniformshop@stleonards.vic.edu.au](mailto:uniformshop@stleonards.vic.edu.au)

Secondhand uniform sales are run by a parent group twice a year. Details are distributed to parents via email and *STL News*.

## Expectations of students

Each student of St Leonard's College is individually responsible for ensuring that he or she is dressed in the correct College uniform and neatly groomed at all times during every school day. This includes the period travelling to and from school.

Winter school uniform is the official uniform however in terms 1 and 4 students are allowed to wear the summer uniform unless notified that they should wear the official uniform.

Students must not wear an item of school uniform combined with casual clothes in the street.

Students must wear blazers to and from school throughout the year. On days where temperatures

exceed 30 degrees celsius students will not be required to wear their blazer. This will be communicated to families by the Heads of School.

## Uniform guidelines

The following should be noted in relation to the wearing of the uniform:

- The blazer must be worn as the outermost garment when travelling to and from school. The jumper must never be worn as the outermost garment outside the school grounds.
- There will be certain occasions that require the blazer to be worn and students will be forewarned of these occasions.
- The length of girls' skirts and dresses must be on the knee.
- Girls may wear long trousers or shorts. The length of the trousers must be level with the top of the heel of the shoe.
- The girls' winter shirt must be tucked into the skirt at all times other than when participating in active games at recess or lunch time.
- All buttons, except the top one, on the girls' blouse are to be done up.
- If girls' hair is longer than shoulder length it must all be tied back off the face with regulation navy, bottle green or white hair accessories as sold at the Uniform Shop or by means of neutral coloured hair clips.

- Girl's hair that is shorter than shoulder length must be prevented from covering the face. Hair must be tied back at all times when the school uniform or sports uniform is worn.
- Extreme hairstyles and colours are not permitted.
- Apparent make up of any variety is not allowed, nor is the wearing of visible nail polish.
- Boys in years 5 to 12 can wear either long pants or shorts throughout the year. There will be certain occasions that require the full College uniform (including long pants) to be worn and boys will be forewarned of these occasions.
- The boys' winter shirt can be worn all year round and is compulsory in term 2 and 3. It must be worn with the top button done up and with the tie. The boys' winter shirt must be tucked into the pants or shorts at all times other than when participating in active games at recess or lunch time.
- When wearing the winter shirt, boys' ties must be done up fully at all times other than when actively playing at recess or lunchtime.
- Boys' summer shirts are designed to be worn without a tie and not tucked in.
- Shoes must be black leather, clean and well polished.
- Socks must be worn with the school stripes showing. Students wearing long socks must have them pulled up.
- Boys' hair must be well above the top of the shirt collar. No long bob styles, extreme undercuts or significant differences in hair length are acceptable.
- Boys must be clean shaven.
- Jewellery, apart from girls' earrings as described below and watches, is not permitted. Necklaces, bracelets, rings and other items of jewellery can be subject to being held by the College unless express permission from the Principal has been obtained in writing for exception. For girls only one pair of earrings is permitted and these must be either small plain gold or silver sleepers or studs of not more than 3mm diameter worn centrally in the earlobe – nowhere else. No other form of visible body piercing or body art is acceptable.
- The official school bag is to be used and must not be decorated with stickers or writing on the outside.

# Volunteering

## Volunteering at the College

St Leonard's College has a strong sense of community and we recognise our families make a considerable contribution by volunteering to give their time and sharing their skills and expertise with others.

When considering the role of volunteers in the College we consider both the risks associated with the health and safety of the volunteers themselves, as well as the welfare of our students. As such, we have a Volunteer Registration process which complies with the Victorian Child Safe Standards in ensuring we provide a child safe environment for all students.

### Who needs to complete the Volunteer Registration Process?

Volunteers who will be working in direct contact with children including by oral, written or electronic communication as well as face-to-face are required to complete the Volunteer Registration Process.

Please [click here](#) to register.

Please note: If you are visiting the school for a meeting with a staff member or if you are volunteering to assist the Community Coordinator (and will not be in direct contact with students), you do not need to register here.

Examples of volunteer work within the College include:

- College Council membership;
- Coaching and managing sporting teams;
- Assisting with theatre and musical productions;
- Volunteering at the annual Community Day Fair;
- Reading and learning support;
- Assisting on excursions and camps;
- Assisting with College events and functions.

## – College Facts and History

### The College crest and motto

The book: open, breaking the chains of ignorance and illiteracy

The chain: representing the Patron Saint of Prisoners, St Leonard

Alpha and Omega: the first and last letters of the Greek alphabet, the beginning and the end

White cross: cross of St Andrew, the Patron Saint of Scotland

Yellow cross: Cross of Christianity, coloured yellow to denote light, purity, power, youth, glory and splendour

White figures: representing the 12 disciples

The motto: *Nulla Dies Sine Linea*, Latin translation: never a day without a line – learn something new every day

Blue background: Presbyterian Blue – used as the school was a Presbyterian school before becoming a Uniting Church school

### History

1897-1901 St Leonard's Private School was situated at 'Sutton', 28 Seymour Grove, Brighton.

1901-08 St Andrew's College was at 'Ardoch', at 12 Seymour Grove, Brighton.

1909-10 The College moved to the vestry of St Leonard's Presbyterian Church.

## Our Houses

The first two Houses were Cullen House and Munro House, established when the school was located at Were Street, Brighton Beach. In 1955, the first full year at South Road, two more Houses were created as a result of increases in student numbers: School House (coloured white and centred on the boarding school), and Forster House. In 1960 School House was replaced by Allen House. Two new Houses – McMeekin and Newman – were introduced in 2007.

### Allen House (yellow)

Mr Ronald F Allen was a member of the College Council from 1948 to 1971, being Honorary Secretary and Treasurer up to 1957. He worked tirelessly to promote the interests and growth of the College, including the transfer from Were Street to South Road in 1954.

### Cullen House (green)

Miss Rebecca M Cullen bought the school in 1915 from its previous owner, Miss Wallace, at which time it was conducted in St Leonard's Church Hall in Wolseley Grove. She moved the school to Were Street in 1930, gave it the motto *Nulla Dies Sine Linea*, introduced the uniform and school badge (since changed), and guided it through wartime, depression and epidemics. Miss Cullen remained Owner/Principal until retiring in 1936, and is generally acknowledged as the founder of St Leonard's Girls' College. Up to her death in 1955 she had seen the school grow in numbers from fewer than ten in 1915 to 595.

### Forster House (red)

Mr K Murray Forster was foundation Chairman of the College Council in 1946, a position he held until 1956 although he continued as a member until 1966. He was instrumental in assisting Miss Munro to sell

her school to the Presbyterian Church of Victoria in 1946, and in the finding, purchasing, and moving of the school to 'Merton' hospital at South Road in 1954. Mr Forster was honorary architect to the school and designed both the original outdoor swimming pool and the Middle School building. He also designed the present school badge.

### McMeekin House (purple)

Mrs Betty M McMeekin first joined the staff of St Leonard's Presbyterian Girls' College in 1958, initially teaching English and History and later specialising in Mathematics. In 1971 Mrs McMeekin was appointed as Senior School Coordinator for one year prior to becoming Senior Mistress. In 1979 she became Vice Principal and in 1980 was acting Principal. Mrs McMeekin was Deputy Principal of St Leonard's when she retired at the end of 1983 and had served the school continuously for 24 years. She was instrumental in the introduction and implementation of coeducation in 1972.

### Munro House (blue)

Miss Florence Munro became Owner/Principal in 1937 after buying the school from Miss Cullen. She had originally joined the school in 1919 as Miss Cullen's assistant. When the Presbyterian Church bought the school in 1946 they invited Miss Munro to continue as Principal which she did for another three years.

### Newman House (aqua)

Mrs Una Newman was Head of Middle School and instrumental in the transition to and implementation of coeducation at St Leonard's College. She joined the staff of St Leonard's Presbyterian Girls' College in 1959 and in 1966 was appointed Head of Primary and Middle Schools, holding this position for six years. In 1972 she was made Head of Middle School, as a

result of increasing student numbers over the years and the move to coeducation. Upon her retirement in 1981, Mrs Newman had served at the College for 23 years. In addition to her administrative and pastoral duties, she was a classroom teacher of General Science and Religious Education.

## College Hymn

### Almighty Father of All Things That Be

Almighty Father of all things that be,  
our life, our work we consecrate to thee,  
whose heavens declare thy glory from above,  
whose earth below is witness to thy love.

Thine still the changeful beauty of the hills,  
the purple valleys flecked with silver rills,  
the ocean glistening 'neath the golden rays:  
they all are thine, and ceaseless speak thy praise.

Thou dost the strength to worker's arms impart;  
from thee the skilled musician's mystic art,  
the grace of poet's pen or painter's hand,  
to teach the loveliness of sea and land.

Then grant us, Lord, in all things thee to own,  
to dwell within the shadow of thy throne,  
to speak and work, to think and live and move  
reflecting thine own nature, which is love.

That so, by Christ redeemed from sin and shame,  
and hallowed by thy Spirit's cleansing flame,  
ourselves, our work, and all our powers may be  
a sacrifice acceptable to thee.
