

St Leonard's College
An education for life.

Academic Excellence

Class of 2024 Results

Our Academic Programs

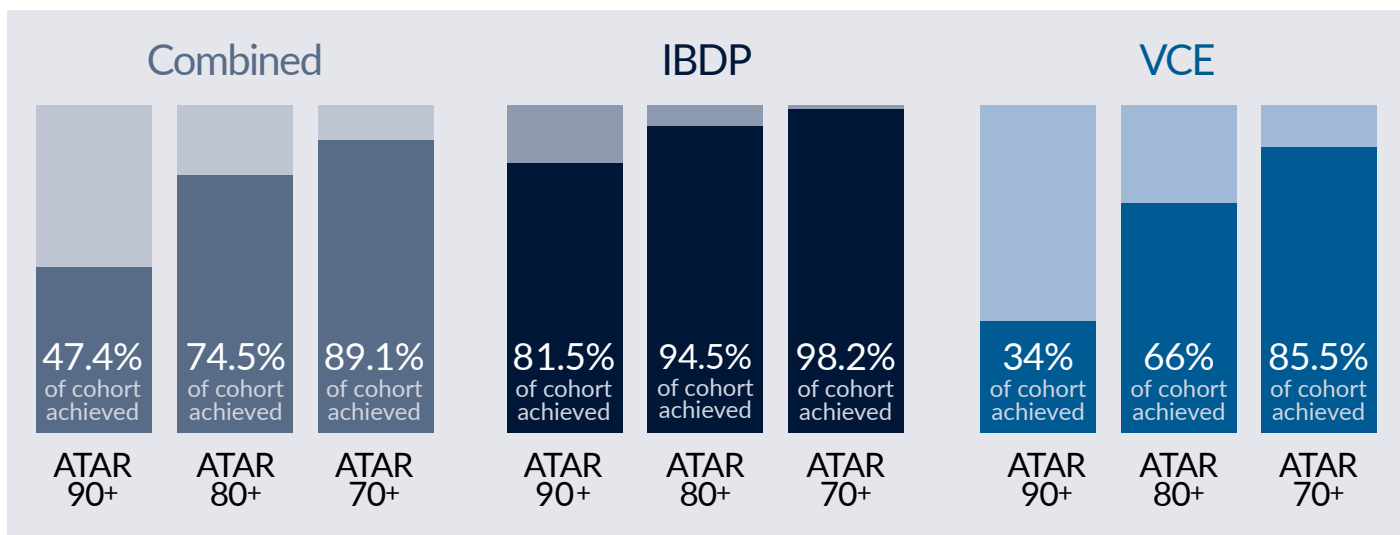

St Leonard's College offers the Victorian Certificate of Education (VCE) and the International Baccalaureate Diploma Programme (IBDP) as pathways to tertiary education. Both pathways provide Year 12 graduates with an Australian Tertiary Admissions Rank (ATAR). The ATAR shows a student's achievement in relation to other students nationally, with 99.95 being the highest rank awarded.

The VCE is a flexible course with an English subject (English, Literature, English Language or English as Additional Language) the only compulsory subject. This allows students to tailor the course to meet their interests and future goals by allowing students to incorporate Vocational Education and Training (VET) and Higher Education Studies. For further information on the VCE please visit vcaa.vic.edu.au

The IB Diploma Programme (DP) curriculum is made up of six subject groups and the DP core. Students must study English, an additional language, a humanities subject, a science and mathematics. The sixth subject may be an arts subject: music, theatre or visual arts. Alternatively, students can select an additional language, humanities or science subject. The DP core includes: Theory Of Knowledge (TOK) – a study about knowledge and why people think differently; the Extended Essay – a 4,000-word independent research paper; and, Creativity, Activity, Service (CAS) – which promotes balance and student involvement and leadership in the arts, sports and serving the wider community.

St Leonard's College was the first Victorian school to introduce the IBDP in 1982. The IBDP is currently recognised in over 160 countries for university entry including Australia. For further information on the IBDP please visit ibo.org/programmes/

Class of 2024 Highlights

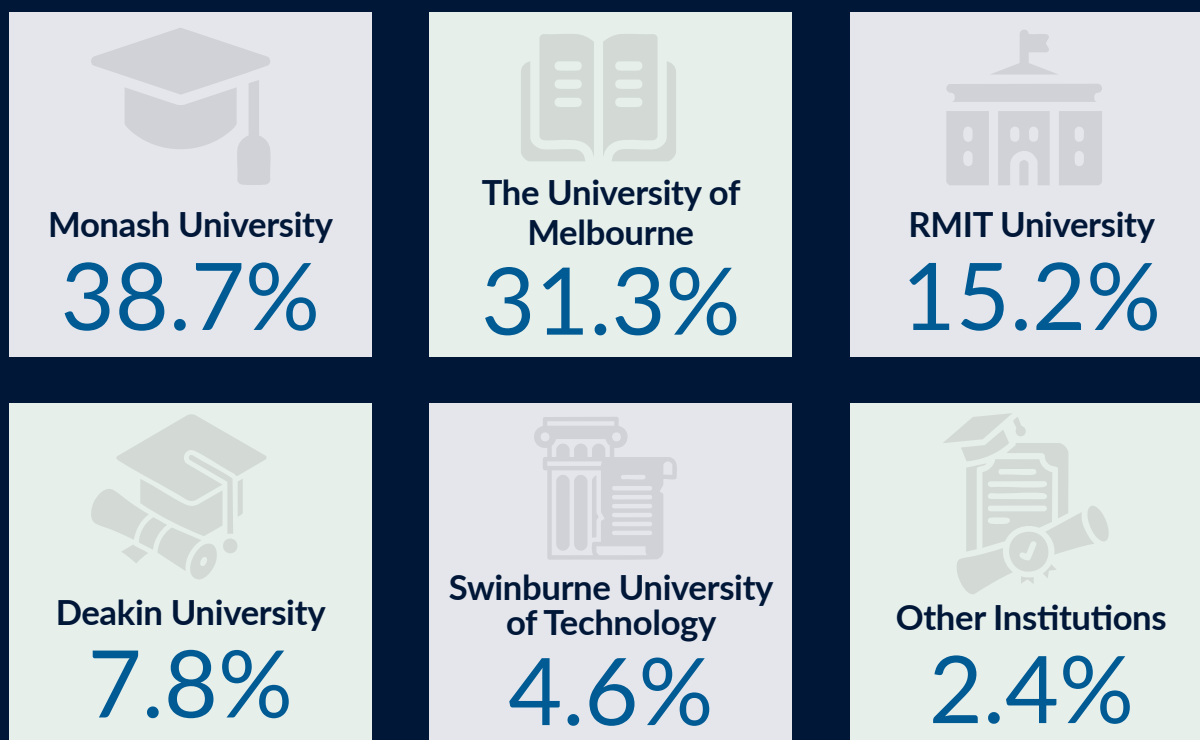

IBDP students who apply through the Victorian Tertiary Admissions Centre (VTAC) receive a notional ATAR. This notional ATAR is determined based on their overall result in the IB diploma, which is an aggregate of six subject scores plus the Theory of Knowledge and the Extended Essay.

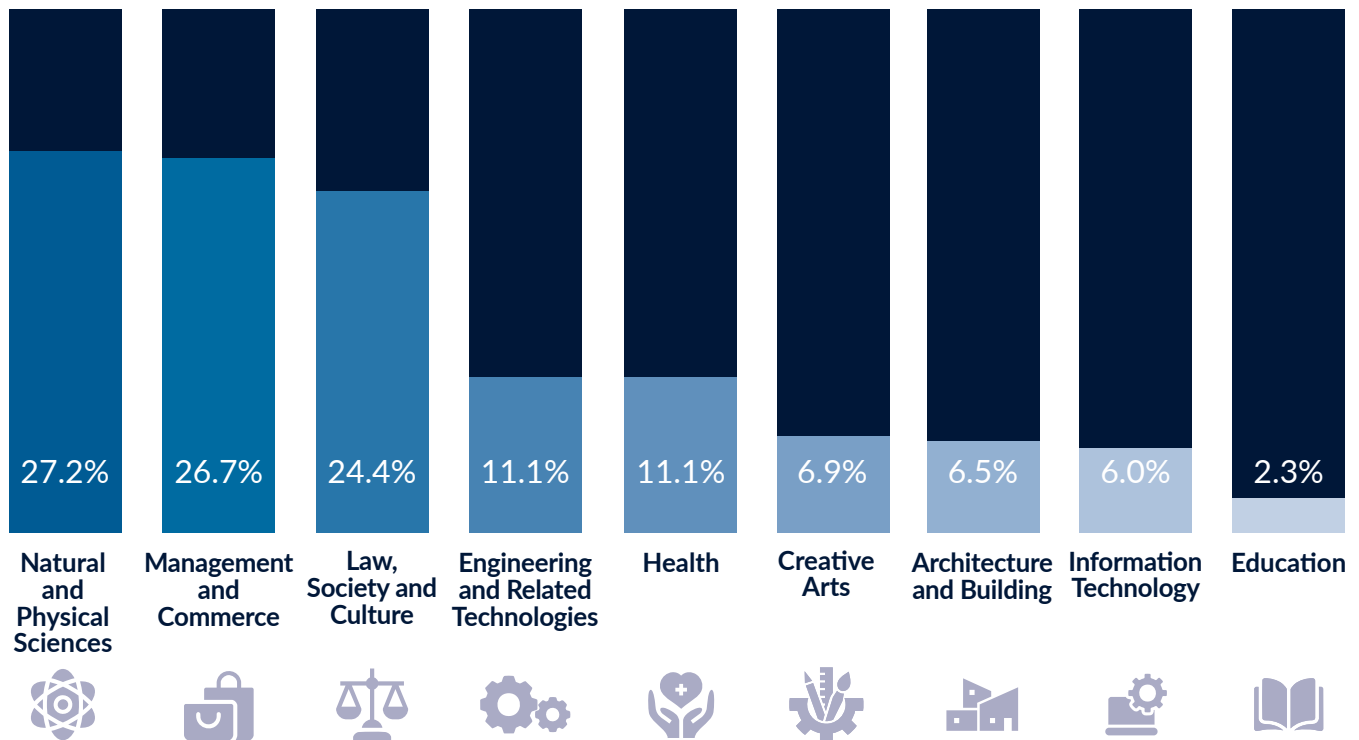

Offers by Institution

The most popular universities for our VCE and IBDP graduates were Monash University (38.7%), The University of Melbourne (31.3%), RMIT University (15.2%), Deakin University (7.8%) and Swinburne University of Technology (4.6%).

In addition to the local offers mentioned above, the Class of 2024 also received offers from various universities in other states. Furthermore, international offers were received from around the globe, most notably from the University of Oxford (UK), University College London, Kings College London and the University of Hong Kong. We congratulate Inès Bescond on being accepted to study a Bachelor of Law with French Law at Magdalen College, Oxford University (UK). Further international offers are expected up until May 2025.

Offers by Field of Study

Scholarships

Melbourne Chancellor's Scholarship, The University of Melbourne

Hannah Chruszcz, Bachelor of Science
 Richie Huang, Bachelor of Biomedicine
 Amelie Iles, Bachelor of Science & Diploma in Languages
 Owen Moxham, Bachelor of Science
 Toby Owen, Bachelor of Science
 Jeremy (Qianjun) Weng, Bachelor of Science

Ben Cowen Scholarship, The University of Melbourne

Somaya Qasimi, Bachelor of Arts

Narm Scholarship, The University of Melbourne

Somaya Qasimi, Bachelor of Arts

National University Scholarship, The Australian National University

Amelie Iles, Bachelor of Science
 Richie Huang, Bachelor of Philosophy (Honours)
